

These are the minutes of the AGM of Friends of Sikinga Jan 2012 , provided by Dominic Wabwire.

- 1.The prayer was said by Evangelist Agness Ndombi.
- 2.The word of encouragement (word of God) was said by evangelist Saul Mulianga.
3. Since this was the first general meeting with the new committee there were no minutes to be read and therefore no matters arising.
- 4.The patron and the chairman in turn congratulated the friends in England for keeping the friendship and continuing to sponsor children by paying their fees. they also encouraged the students to work hard in school so that the help may be meaningful to them in their future .
5. It was agreed that if we can have extra funds we shall add more students on the sponsorship list.
6. It was also noted that the sponsored children needs counselling and discussing matters that affect them. it was resolved that the committee meet them three times a year i.e. April, August, and December during Holidays.
7. It was a great joy to notice that Entokia B are doing well with the cow project and it is reducing the poverty level in the area. The catering wing was also not left aside. It had also picked up very well.
- 8.There was also concern about the students who had completed school. There are those who had completed and are working. These are doing very well and for example Jacton Nekunda's family is doing well because of that. The children have in fact constructed a good house for them. But there are those who completed form four and have not gone to college to enable them to get jobs.People thought that if a way can be got for them to go through college it would be good.
9. Then the treasurer gave the financial report as i had sent earlier.
10. There was no A.O.B. and the meeting ended with a word of prayer from the parish priest Rev William Ombito.
